

The Impact of Your Generosity

Friday, September 17, 2021 seems like distant memory; but on that day the links at Elbow Springs Golf Club were humming with activity. Close to 144 of our closest friends and business partners came together for one purpose – to raise money for BSF. And raise money you did...

THANK YOU!

Because of your passion and dedication, the **BSF 2021 Golf Classic presented by SGP and Medical Mart raised more than \$100,000.**

Proceeds from the BSF 2021 Golf Classic are going towards improving outdoor spaces at our Manors. Revitalized and vibrant areas for residents, families, and friends to gather are critically important – now more than ever. A safe and beautiful environment to share a conversation, a laugh and a hug can shatter the social isolation that the pandemic has brought.

Bow View Manor will extend their front patio to enhance outdoor recreation and visiting spaces, making the most of their prime riverfront views! Cambridge Manor will build a pergola in their courtyard to enhance outdoor gatherings, and a pergola and durable patio furniture will accentuate the green spaces around Tudor Manor. A refurbished landscape including a new garden and turf is slated for Wentworth Manor. Excitingly, funds allocated for Clifton Manor will be deferred until they move into their new building, Clifton House, scheduled to open this spring, enhancing the accessible outdoor living in this brand-new space.

We are overwhelmed and humbled by your continued support – your generosity is enabling us to achieve our philosophy: *The preservation of dignity and the pursuit of happiness.* **THANK YOU.**
